European Confederation of  
Pharmaceutical Entrepreneurs AISBL

25 January 2021

# INTERNSHIP OPPORTUNITY

The European Confederation of Pharmaceutical Entrepreneurs (EUCOPE) is a trade association, which gives voice to over 130 small-to-mid-sized companies in the fields of pharmaceuticals, biotechnologies and health technologies. EUCOPE represents its members towards national and international governmental organisations in particular towards the EU institutions and agencies.

## Period

Flexible, ideally as of March 2021. This is a paid internship for a period of 6 months, renewable once.

## Place of work

Brussels, Belgium

## Tasks & Responsibilities

The internship covers all kind of communications and public affairs activities, from monitoring of health-related legislative developments, elaborating social media and communications calendar, updating social media accounts and website and provide support in events organisation. Set in a team of 7, the internship will also require support in administrative and logistics matters.

## Required qualities and qualifications

The topics we deal with include monitoring of EU legislative developments, general questions of EU law, health law & policy developments, and EU regulatory affairs.

The successful applicant will have the following qualifications:

- A good background in EU policy matters
- Excellent written and spoken English
- Experience in social media
- Previous internship with the European Commission, other EU institution or EU industry representations (desirable)
- Some prior knowledge of EU healthcare issues (desirable)

The applicant will also have the following qualities:

- Comfortable with social media
- Interest in health policies at national and EU levels
- Political sensitivity and intellectual curiosity
- Strong analytical and reporting skills
- Ability to develop personal networks
